

At 450ft tall the London Eye is the world's tallest cantilevered observation wheel and London's fourth highest structure. Experience a totally new perspective of some of the Capital's most famous landmarks and a birds-eye view across an approximate 30 mile radius of London during your 30 minute experience.

The London Eye is situated on the South Bank of the River Thames, opposite Big Ben. Right next door to the Sea Life Aquarium.

A spectacular 360 - degree panorama at the top!

Your ticket includes to the London Eye 4D experience - a stunning 4 minute film that includes the only aerial 3D footage of London. On exiting the 4D please go to the boarding line to get onto the London Eye. Proceed directly to the County Hall entrance before entering the London Eye (building directly next to the London Eye). In UK holiday periods we recommend visiting later.

Children under 4 travel for Free.

Note: Christmas Day closed and on certain weeks in January for annual maintenance. Please check prior to visiting.
